(Subject to terms)

TWININGS

 Perfectly Chilled Water.

 Hot + Extra Hot 198°F Water.

Saves Space and Time

- Instant hot water for barista quality coffee and cooking instant noodles and soups
- Frees up counter space, no brewer or coffee pot on counter or filtration system under sink
- Barista quality coffee at work, no driving to expensive coffee shops or waiting in line

Designed for Convenience

- Bottle water models load from the bottom to reduce lifting of heavy bottles - they slide in place
- Filtration models accommodate single or dual ICON eco3 filters, or an RO system

Model Options

Bottled Water
Unplumbed

Filtration or Reverse Osmosis
Plumbed Into Mains Water
